11th September 2015

Dear Parents,

Welcome back after the break. I hope that you have had a good holiday and managed to spend time doing something that you enjoy. We have a lot to squeeze into this term, so I am sure that it will be very productive and enjoyable.

School Values

Each half term we have a theme for our collective worship. This half term it is Generosity. We are encouraging the children to think about their actions and how they treat each other. During Lent, the children are being asked to do something generous each day. This can be in or out of school. Please encourage your child to think about this value and if you notice them doing something generous please note it down in their home/school book so that we can reward them appropriately.

World Book Day 3rd March

Next Thursday is World Book Day and to celebrate this we would like the children to bring in a book that they have read and to dress up as a character in the book. They need to know the book well as some of the activities planned for the day will involve the books that they bring. It is always a fun and exciting day!

Football Club

We aim to start football club, on Thursdays, as soon as possible. At the moment the Rec. is very wet! Mr Martin will monitor the situation and will start the club as soon as he feels it is feasible. We just need a bit more dry weather. So watch this space!

Great Hall 7th March

As you know we have been rehearsing for our performance at The Great Hall along with other school in the area. The children are working hard on the songs and they are beginning to sound really good. I would just like to remind you that the children need to wear black or white trousers (not Jeans please) and a black or white shirt with a black or white tie and braces (the last two are optional!) We would also like them to have a pair of sunglasses to top off the look. If you have any problems please let us know. Thank you.

Class 3 Assembly

We were treated to a wonderful assembly on the last Friday of half term. They shared some very impressive art work, especially their Inuit prints, with us and a video of their drama retelling Captain Scott's Expedition. The titanic newspaper reports and Haikus were all very well written. They had also made ice drinks and marshmallow igloos, which looked really tasty! Well done all of class 3.

Exmoor Challenge 5th March.

There will be a practice walk on Saturday 5th March, his time at Newton St Cyres. The walk is for any child who would like to participate in the Exe Valley or Exmoor Challenge this year. These children need to be in Years 4 to 6. A letter will be out next week so that we can gather information about who is coming and which parents are accompanying them.

Best wishes and have a good weekend.

Sarah Parkes

Head of Teaching and Learning.
