Wonderful Weather

Year 1
Class One

Key Area of Learning
GEOGRAPHY

Wonderful Weather

We will learn about the weather in our immediate environment as we observe and record the weather in the changing seasons. We will learn about the hot and cold areas of the world, and the impact of different weather types. We will also have a go at producing own weather forecasts!

ENGLISH

In English we will be focusing on transcription and oral rehearsing of sentences. We will work on our handwriting, and saying what we want to write out loud first. We will explore the punctuation needed for a simple sentence, and have a go at writing our own. We will be learning from our Book Bud units based on these texts: All About Families, We're Going on a Bear Hunt and Rattle and Rap.

MATHEMATICS

In Maths we will be exploring place value; sorting, counting and representing numbers and quantities. We will also be learning about one more, one less, more than/less than and comparing numbers and quantities.

SCIENCE

We will will be investigating the topic 'Animals including humans' - naming, describing and comparing different animals.

ART AND DESIGN

In Art and Design our unit is 'Spirals'! We will be drawing using a continuous line, experiment with observational drawing, use different drawing tools and explore artists and their work.

COMPUTING

In Computing we will be focusing on staying safe on the internet. We willbe thinking about making friends online, online bullying and sharing images. We will learn how to use the internet in a safe, confident and happy way.

RELIGIOUS EDUCATION

In RE the children be learning about Islam, exploring key beliefs and ways of living for Muslims. We will explore stories, and find out what these teach Muslims today about ways of living.

PSHE

In PSHE children will be learning about keeping and staying safe in the wider world. We will think about potential dangers within the home and community and talk about how to avoid risk.

MUSIC

In Music we will be focusing on our understanding of musical vocabulary – pulse, rhythm, tempo, pitch. We will be exploring this through the theme 'My Favourite Things'.

PHYSICAL EDUCATION

This half-term we will be focusing on developing the children's locomotion and movement skills, looking at running, jumping, hopping, skipping and moving at different speeds.

VISION & VALUES

Our Christian Value focus for this half-term is **Dignity**. Over the coming weeks, we will be exploring what dignity means and thinking particularly about the importance of recognising the value of every person and treating others with kindness and respect.
